Office of the Deputy Commissioner,
Bangalore District,
Dated, Bangalore, 20th Octr. 1941
22nd.

Recorded with the following observations

Assessed Taxes.

The half-yearly demand has not been taken into account by the Municipalities of Channarayana, Doddaballapur, Magadi and Sarjapur. This is very objectionable. The attention of the Presidents of these Municipalities is once again drawn to Rule 76 of M.A.M., Part II, and they are instructed to take immediate necessary action in the matter. The statement should be submitted in the prescribed form in respect of Welahanka Municipality.

Octroi and Miscellaneous: A sum of Rs.3,083/- was outstanding recovery at the beginning of the quarter and a sum of Rs.19,234/- was taken on demand - during the quarter, making a total of Rs.22,317/-. Of this, a sum of Rs.19,135/- was collected, leaving a balance of Rs.3182/- at the end of the quarter. The arrears have increased in the Municipalities of Devanahally, Anekal, Hoskote and Yelahanka. It is unsatisfactory to allow these demands which are recoverable immediately, to fall into arrears. The personal liability of the concerned officers will be enforced if these arrears are not collected promptly.

No: 10-Per.Q.23.1/41-42.

Office of the Deputy Commissioner,
Bangalore District,
Dated, Bangalore, 20th Octr. 1941.
22nd.

Review on the Demand, Collection and Balance statements of the Municipal Taxes of the several Municipalities for the quarter ending 30th September, 1941.

Recorded with the following observations

2. The statement was not received in time from the marginally noted --				Municipalities inspite of stringent instructions issued in this behalf. The Presidents of all the Municipalities are once again instructed that failure to submit the statements in time would be drastically dealt with in future.
Anekal	11th Octr. 1941

The total demand ~~xxxxx~~ including the arrears at the beginning of the quarter was Rs.90,632/-. Of this, a sum of Rs.10,739/- was collected and a sum of Rs.2/- (Hoskote) was remitted, leaving a balance of Rs.79,891/- at the end of the quarter.

The half-yearly demand has not been taken into account by the Municipalities of Channarayana, Doddballapur, Megadi and Sarjapur. This is very objectionable. The attention of the Presidents of these Municipalities is once again drawn to Rule 76 of L.A.M., Part II, and they are instructed to take immediate necessary action in the matter. The statement should be submitted in the prescribed form in respect of Yelahanka Municipality.

The collection is unsatisfactory in all the Municipalities and particularly it is very bad in Megadi, Anekal, Closepet, Nelamangala and Yelahanka Municipalities. The mere excuse of mohatarfa accounts being in a confused condition etc., cannot be accepted. The Presidents are directed to see that much improvement is effected in the collection and the arrears are reduced to an appreciable extent at least during the present quarter. Special attention is necessary in the Municipalities of Channarayana, Closepet, Megadi and Vadigenahally.

Octroi and Miscellaneous: A sum of Rs.3,033/- was outstanding recovery at the beginning of the quarter and a sum of Rs.19,234/- was taken on demand during the quarter, making a total of Rs.22,317/-. Of this, a sum of Rs.19,135/- was collected, leaving a balance of Rs.3182/- at the end of the quarter. The arrears have increased in the Municipalities of Devanahally, Anekal, Hoskote and Yelahanka. It is unsatisfactory to allow these demands which are recoverable immediately, to fall into arrears. The personal liability of the concerned Officers will be enforced if these arrears are not collected promptly.
